## Annie MacDougall At Oldest Resident National Art Show

Miss Anne MacDougall, daughter of Dr. and Mrs. Ernest MacDougall of Middlesex Ave., has had her Gold Key award winning art work chosen for what has been called "the largest art competition in the world." Miss MacDougall's linoleum block print of a stylized cat won the Gold Key in the state-wide Art Awards competition sponsored by the Boston Globe last February. Two other Wilmington youths, Alfred Fairbrother and John Collins were honored at the time.

The work was one of fifty chosen to be exhibited at the 30th National High School Art Exhibition at Carnegie Institute, Pittsburgh, sponsored by Scholastic Magazines. Shown at the exhibition is art work in all forms of high school students from the 48 states and U. S. possessions.

Miss MacDougall, a 13 year old seventh grade student has shown interest in art work under the guidance of Paul Clano, head of the Art Department at the High School. An honor student, she is also an enthusiastic horsewoman, a lover of out-door life, particularly camping, and an avid church worker. Her latest interest in the game of tennis.

### FIREMEN CONDUCT BANQUET

Local firemen held their annual banquet at the Wildwood School on Saturday, May 11, at 7:00 p.m. Approximately 60 firemen and guests were present to take part in the activities and to enjoy the delicious roast beef dinner.

Much credit for the success of the affair is being given to the committee members. Chairman, Charles Ellis was ably assisted by Frederick Kleynen, George Cushing and Robert Woods.

Seated at the head table were: Our own fire Chief, Arthur and Mrs. Boudreau; Reading Fire Chief, Hugh and Mrs. Bames; Capt. and Mrs. Frederick Millett of Tewksbury; Mr. and Mrs. Frederick Kleynen and Selectman and Mrs. Donald Kidder.

Following the delicious dinner, entertainment and dancing were enjoyed.

### METHODIST CHURCH AUTHORIZES TRUSTEES TO SIGN BUILDING CONTRACT

At a special congregation conference held on Wednesday evening, May 8, the members of the Wilmington Methodist Church voted unanimously to authorize the Board of Trustees to sign the new church building contract. This authorization will enable construction to begin in the very near future.

During the meeting the Rev. Richard Harding shared with the people the fact that the Parkway Meth-

odist Church of Milton has just raised \$1850.00 for the new church and that a check for the same was forthcoming. This gift means that nearly \$30,000.00 in outright gifts have come to the local church from other Methodist Churches in the New England Conference and a \$10,000 loan from the same group which is payable within three years without interest.

### ENGLISH DEACONESS TO BE GUEST SPEAKER AT METHODIST WORSHIP SERVICES

On Sunday, May 19, at the 9:15 and 11 a.m. worship services Deaconess Catherine Mortlock of England, will be the guest speaker. This Sunday has been set aside as Status of Women Sunday in the local church, and arrangements have been made by Mrs. Minot Anderson, status of women secretary in the Woman's Society of Christian Service in the church.

Mrs. Malcolm Butler former president of the W.S.C.S. will preside at the 9:15 hour and Mrs. William Dayton recently elected secretary of children's work for the W.S.C.S. will lead at the 11 a.m. service. Women of the church will serve as ushers.

A cordial invitation has been extended the members and friends of the church to share in these services of worship, supporting the women's work of the church.

### Two Fined For Speeding

At Woburn Court on Thursday, May 9, Francis D. DeCoste, Jr., pleaded guilty to speeding and was fined \$5.00. Officer Ritchie prosecuted the case.

Also on Thursday, Dorothy G. Ore of Reading pleaded guilty to a charge of speeding and was fined \$5.00. Sgt. Imbimbo prosecuted.

### Memorial Day Committee To Meet

The Memorial Day committee will meet at D.A.V. headquarters Friday, May 17, at 8:30 p.m.

### SANITARIAN STRESSES NEED FOR RABIES SHOT

Town Sanitarian Patrick Thibau stressed today the importance of the inoculation clinic to be conducted next Saturday at the highway department building on Adelaide St. The clinic is for dogs; the shots for protection against rabies.

Pet owners will be wise to attend and take advantage of this clinic, at which the dogs are inoculated for .75c. The disease, rabies, has not been reported in New England for some time, but a recent case illustrated how easily it might be brought here again. A family moved here from the west coast, where there are reported cases of the disease, after their dog had been believed to have bitten a young child. The dog was found and did not have any trace of rabies, but it showed how one dog, traveling from out of state, could have brought the disease here.

Wilmington has not had a case since the tragic one in 1939 that took a woman's life after she suffered the horrible agonies of the disease.

Animal owners owe it to their pets, and to their children who love and play with them, to have them protected next Saturday. We are fortunate to have such a program offered us. See the notice elsewhere in this paper for time and further details.

### 4-H Groups Win Many Ribbons

Despite the pouring rain last Saturday, Wilmington's 4-H Vigilantes and Trailblazers once again did themselves proud. From a horse show held in Lincoln, the following ribbons and trophies were brought home:

Mark Babbitt, a Blue and a trophy in Western Equitation, and a Blue in Western Parade. Mary Ann Burns, also of the Vigilantes, received a Red in Fitting and Showmanship, a Red in the Costume Parade, and a White in English Equitation Class.

Among the Trailblazers, Nancy Allen won a White in Fitting and Showmanship. Warner Allen a Yellow in Western Equitation, Red in Western Parade, and a Blue in Breaking Out. Donna Dupras received a yellow in Western Parade. Bobby Allen won five ribbons, a White in Trail class; White in Egg and Spoon; White in Western Equitation, Blue in Fanny Seat and Blue in Breaking Out.

The young riders were accompanied by their leaders, Mrs. John Clark of the Vigilantes, and Mrs. Leo Dupras of the Trailblazers.

The groups are very grateful to the Lions Club who recently donated enough boarding to enclose a permanent field at Jenkins field on Andover St. Tommy Sullivan and the older boys are hard at work cutting the rails for the enclosure.

### St. Thomas' Bazaar Committee To Meet

There will be a meeting of the committee of St. Thomas' Bazaar at Villanova Hall on Monday, May 20 at 8:15 p.m.

Everyone interested in the success of the Bazaar to be held in October is urged to attend, as there are still several important items to be decided upon.

### REYNOLDS OF WESTDALE AVE RETURN

### NICOLA CALANDRELLO RECEIVES GOLD CANE

The Boston Post Gold Cane has once again been handed to the oldest male resident of Wilmington. Nicola Calandrello of 677 Main St., recently was presented the gold-headed cane by the chairman of the Board of Selectmen, Nicholas DeFelice.

Mr. Calandrello, who will be 96 years old on July 13, was born in Marcone, Benevento, Italy. Married to the former Luigia Lombardi, the couple had eight children, seven of whom are still living, five in this country, and one in Canada.

With his oldest son, Patsy, he came to America 45 years ago to work on the railroad. Another son, John, who now lives on Lowell St. with his wife, Frances and son John, followed his father to America and soon they had a cement block business of their own.

Mrs. Nicola Calandrello, who passed away 15 years ago, and son Louie, now a mason, living on Main St., Joseph, another son, formerly of Wilmington, now living in Waltham, and the youngest child, Carmela, soon came to America. Two daughters, Maria Varrone, and Dolores Pietroangelo remained behind with their husbands.

Nicola is still head of his family. His mind, as brilliant as ever, still makes decisions

which he passes on to his children. He makes his home with Patsy and his wife Mary, his granddaughters, Patricia and June, and Carmela. Carmela who assumes most of the care of her father, is well known to Wilmington shoppers, as she usually is on duty at Patsy's Farm Stand, which adjoins the home. Patsy's Louie and John are all renowned for their mason work in and around Wilmington. Four of their nephews also have followed this trade. They came to Canada some years ago and sent for their mother, Dolores, who Mr. Calandrello has not seen for 45 years. This is his one desire, to see his daughter again. Ill recently, she has been unable to travel here to see her father.

Another grandson, Nicolas, son of Joe and his wife Margaret, is a graduate of Northeastern University and has recently been employed as a chemical engineer at Raytheon.

Mr. Calandrello, who still has all but three of his own teeth, attributes his long and healthy life to his faith in God and his religion; his regular habits, particularly in the matter of his meals, and spending a great deal of his life in the out of doors.

### MABEL'S SHAMROCK FAMILY STILL ON INCREASE

We have been reporting recent increases in Mabel's Shamrock Drive-In Family, starting with Dick Day's promotion to Assistant Manager, and Johnny Fullerton's appointment to take charge of Inventory Control and the Malt Beverage Departments.

Now, to keep the record straight and complete, we feel compelled to report that Mabel's staff at her new, super self-service, package store has been increased by four more, as of last week. But this time "Pinkie", Mabel's beautiful maltese, did the increasing, by presenting the boys at the Drive-In with four brand new kittens. Both "Pinkie" and her little charges are doing quite nicely, thank you.

## As My Garden Sleeps

By Mari Gold

This warm, dry weather is bad for everything. The garden is not ready to plant as the seeds will not germinate in dry soil. People who have new plantings or new lawns should soak the

ground well, not just sprinkle it. In all cases, a slow, deep soaking is best. Most of all, be certain that newly planted trees, shrubs and evergreens have an adequate supply of moisture.

The first summer following transplanting is the most critical period for them. The best way to water individual trees and shrubs is to lay the open end of the hose on a board or brick at the base of the plant. Let the water trickle until the soil around the tree or shrub is saturated.

Periodic deep soaking is better for your lawn than a light sprinkling every day. Merely wetting the surface soil is injurious to all vegetation whether tree, vegetable, flower or lawn. Light

moisture coaxes the roots to the surface soil and makes them susceptible to the hot sun which will parch these feeding roots. You will be wasting water and doing more harm than good.

This dry warm weather has brought the Lilacs out and the greenhouse grower is having trouble holding back the buds so that plants will be just right for Memorial Day.

As I rode around town, I noticed a lot of the private hedges were winter killed. If they have not all leaved out by now, they are not going to. It is best to cut them back about a foot from the ground, they will grow back surprisingly fast. If given water and food. One pound of chemical fertilizer to every fifteen feet of hedge. Do not fertilize later than mid-summer.

Shrubs, Roses, evergreens and late perennials may still be planted, but it is wise to get your planting done as soon as possible now. Advancing growth and warmer weather makes late transplanting more of a shock to the plants. However, with proper care you may plant until the end of May. Protect young plants with a bushel basket or a carton.

Besides having a garden for fresh vegetables and flowers, you may also have one as a hobby. Plant flowers and vegetables that can be exhibited in the local fairs. Enter your produce in competition with your neighbors. All local Granges have fairs and everyone is eligible to exhibit, provided the exhibitor grew the items being offered for exhibit.

There is a great difference between a fair and a flower show. Fair judges, judge only the quality of the flower or vegetable, the arrangements are not taken into consideration. They judge the blossom. They look for spots, chewed petals or leaves. The vase basket or centerpiece is not included. Some of the flowers which have a lot of competition are: Asters, Zinnias, Meri-golds, Dahlias and Gladiolus.

Many house plants are also entered. Vegetables are judged in much the manner, for spots, coloring and uniform size. There are many ways in which to enjoy your garden.

When you mow your lawn, it must be done with intelligence. Grass should be cut short only until the middle of May. After that time, keep it cut a little longer. Alter your mower to cut three inches high. Plenty of leaf growth will shade the grass roots in hot weather and provides a simple laborless way of preventing weeds and crab grass from seeding. Weeds will not grow in a thick shady stand of grass. Crab grass will not germinate even in semi shade. Mow your lawn frequently and let the clippings work down to the roots. Short grass clippings are the easiest way to return vegetable matter to the soil. Long grass, however should be removed.

An easy way to mark out new gardens, remodel old lines or achieve that graceful, flowing line, is to use your garden hose. Lay the hose down on the ground and move it around to form the outline of your bed. You can stand back and look at it. Move it until you get the effect you desire. Mark along it with a trowel or sharp stick and you are ready to spade it up for planting.

A neat driveway adds a lot to the appearance of your lawn. Go over it with a weed killer. Weeds in crushed rock driveways are difficult to extradiate. Course salt such as that used in water softeners will kill them. Calcium chloride will also kill all weeds. An occasional application on the driveway will keep down the dust also.

Protecting the home garden from insects and disease attacks does not demand expensive equipment. You can spray or dust, depending upon your individual preference. Either form must be used with caution. Remember, a number of sprays and

dusts are poisonous to men and beasts. These should be kept in a cabinet or on a shelf which is inaccessible to children. Avoid inhaling vapors or dust. Be careful not to convey any of the materials to the mouth. Don't let them come into contact with sores or injuries. Always wash your hands after handling or applying these chemicals. The manufacturers have their directions printed on the labels of their containers.

Remember, directions are for you as well as the rest of the world. Use caution!

### FUNERAL SERVICES FOR WILLIAM CONNOLLY

William E. Connolly, 84, of Forrest St., passed away in Lowell on Sunday, following a lingering illness. Mr. Connolly was born in Connecticut and moved to Wilmington over 40 years ago. He was a graduate of Harvard Medical School and practiced medicine until his retirement. He also served as a Lt. with the U. S. Army many years ago.

Funeral services for Mr. Connolly were held on Wednesday morning at 9:15 from the W. S. Cavanaugh and Son Funeral Home, followed by a High Mass of Requiem at St. Thomas Church at 10:00.

Burial was in the family lot at Wildwood Cemetery. Funeral arrangements were under the direction of William S. Cavanaugh and Son. Mr. Connolly is survived by

his brother, Arthur L. of Forrest St. He is also survived by several nieces and nephews, including Ralph L. Connolly, also of Forrest St.

## Chapin Chatter

"And the rains came, and covered the face of the Earth."

And thank the Good Lord they did come when they did.

It is amazing when you think of it how many good things can become bad when there is an excess.

Rain such as we have had this past weekend is good, but in Texas so much rain fell that it washed a town away.

A gentle breeze is a delight, but when that breeze becomes a hurricane it's bad.

An ice cream cone is refreshing to eat, but when you try to eat a gallon of ice cream—Ugh!

A cool glass of beer on a blistering day is delicious, but a case of beer at one sitting is anything but delightful.

Atomic isotopes are a benefit to mankind, but an atomic bomb is horrible.

A gentle benign fire in a fireplace is a very cheerful thing, but a forest fire is an awful thing to behold.

In other words, any of the elements are good if they are controlled, and their energy released at a proper rate.

It is for this reason that a Winkler Oil Burner is outstanding. It releases just the proper amount of oil to do the heating best, and once set cannot be changed at anyone's whim; it burns all the oil completely because it breaks the oil into a finer mist; therefore is absolutely clean and cheap to operate. It produces the most troublefree, friendly, comfortable fires that you can imagine, and will keep you warm, healthy and carefree for years.

Call us at Reading 2-3290 and we'll demonstrate these things to you.

Best regards,

Paul Rimbach

## SELECTMEN'S NEWS

### SELECTMEN'S NOTES

Monday's Selectmen's meeting was one of the shortest in recent years. TM Courtney (who was asked to attend the meeting of the Glen Road Building Committee, was not free in time to attend the meeting. Frank Hagerty was unable to attend due to illness in his family.

A request was heard from Frank Darling, owner of Frank's Amoco Station on

the corner of Bames and Main Sts., for increased gasoline storage due to the influx of weekend business. The Board approved the plan subject to approval by the fire chief.

An application for a license by A. P. Rounds to remove loam that he has stored on land near Hathaway Acres and sell it out of town, was referred to the Board of Appeals.

Joseph Iosue and Francis Ahearn of Catherine Ave., a street in the Signore development, met with the Board to complain of the delay by the builder in completing their street. The Board promised them that they would see what could be done and notify Mr. Ahearn of the results.

The meeting adjourned at 9:30 p.m.

**BICYCLES ARE FUN, BUT —**

As regularly as the leaves come out on the trees in spring, bicycles and their riders come out too. It is a fine thing. A wonderful sport, a wonderful means of transportation, and a lot of fun. Fun for the youngster on the bike—but not always for the motorist who is trying to travel the same street at the same time.

Last week a man was severely injured when his truck overturned here in town. Unofficial reports of the accident place the blame on the driver trying to avoid children on bikes. It's a safe bet that all motorists have had many narrow escapes from the same fate. And why? It is clear to anyone who cares to watch the bicycle rider of today that few follow the proper rules for riding a bicycle safely. Have you ever had to pass three riding abreast going up a hill? Ever had to weave between a race going on, on both sides of the street? Or worse, have them weave in and out in front of you? Ever see no hands riders, bikes without reflectors at night, children balancing clumsy bundles on the handlebars? It's a wonder there aren't many more accidents caused by careless bicycle riding.

There used to be a man from the motor registry who came to the schools and talked to the children once a year on proper bicycle riding, but he passed on and hasn't been replaced. We have our own Johnny Imbimbo, who has tried to teach safety for years. But we also have 2491 school children in Wilmington, and it is hardly a secret that the number is growing rapidly. Every one of these 2491 is an actual or potential bike rider. One man can not instruct every one of them in correct habits on a bicycle and see that they are used.

There are excellent programs set up, by the registry, by large insurance companies, by manufacturers. They are available for the asking. Someone has to take the trouble to ask—and have behind him a group or organization to carry out the program. Last year the Lions serviced cars at Bill and Mel's and used the profits to buy the expensive reflector tape for bikes. A lot more of this kind of help is needed. Youth programs of all descriptions are being utilized in town to take care of the youngster's leisure time. Now we need a well organized program to take care of their safety.

**NATIONAL HOSPITAL DAY**

In recognition of National Hospital Day, the Winchester Hospital will open its doors to the public on Sunday, May 12, from 2 to 5 p.m. The hospital invites all those living in the area served by the hospital to be its guests and to inspect the facilities that stand ready to serve them at all times. Tours of the hospital will be conducted, and visitors will be able to observe the plant and the multitude of equipment required in the modern care of patients.

Mr. Gilbert H. Hood Jr., President of the Board of Directors, states, "I hope all who can will take this opportunity to inspect the hospital and, in particular, we are most anxious to greet the residents of the area who have not as yet become familiar with the Winchester Hospital."

**NATIONAL HOSPITAL WEEK**

National Hospital Week, to be observed from May 12-18, provides us with an opportunity to assess the importance of our hospitals to our community. As our community continues to grow, our hospitals must meet the increasing demands for their vital services. We admit without question our need of the hospitals. Have we realized how much the hospitals need us?

The theme of National Hospital Week this year is "Careers That Count," emphasizing the career opportunities for young people in our hospitals and pointing out the shortage of hospital personnel, a shortage that will continue to increase as our population expands, unless we of this community can find some way to close the gap.

How many people realize the variety of career opportunities our hospitals offer? In addition to doctors and nurses, hospitals are staffed by clerical help, laboratory technicians, pharmacists, therapists, maintenance men - careers to suit a diversity of interests. In the largest hospitals, there may be as many as 200 job classifications.

A hospital career is one of the finest, the most rewarding and the most satisfying open to our young men and women today.

**NAVY ANNOUNCES NEW PROGRAM FOR VETERANS**

Commander W. H. Walhall, USN, officer in charge of Navy Recruiting in this area, announced recently a New Program Established for certain qualified Navy Veterans. In order to encourage experienced Naval Personnel to gain additional training, the U.S. Navy has established a program that will permit certain qualified Navy Veterans to be guaranteed a service school when reenlisting. This guarantee is made in writing before reenlisting for those who can qualify.

Further information relative to this educational opportunity may be obtained from any Navy Recruiter or by contacting the U.S. Navy Recruiting Station, 560 Atlantic Avenue, Boston.

SPEEDWAY FEATURES  
DESTRUCTION DERBY  
SAT. NITE**

The West Peabody Speedway, located on Lake St. Rte. 120 off Rte. 1 will start its first race of the season May 18 at 8:15 P.M.

The grand opening will be "racing at its thrilling best" with stock cars and bombers. In the destruction derby it is expected that "Hawk" Canyon will again be out to beat all opponents to challenge him such as "Charlie" Williams Sleepy Butler, and Bobby Rockwell. The Atlantic Auto Racing champion of 1956 Jerry Dolliver of Kingston N.H. will be on hand to hold on to his crown against runner-ups, Red Castor, Joe Cost, Hal Carrick, and Red Sequin.

The management promises a real thrilling opening night with plenty of spills, thrills, and excitement for everyone.

**VACANCIES AT  
WILMINGTON POST  
OFFICE**

A shortage of clerks and carriers at the Wilmington Post Office has resulted in employment opportunities, according to a statement issued today by Postmaster Henry J. Porter. "We need

one sub carrier immediately to bring our staff up to par," Postmaster Henry J. Porter said. Salaries start at \$1.82 per hour, with yearly increases up to \$.19 per hour. Promotions to supervisory positions at salaries above \$2.19 will be made on a competitive basis.

Although labor turnover at the Wilmington Post Office is low, the office has not been able to hire and train new employees fast enough to keep up with the tremendous growth of the Wilmington area. "We must keep our jobs filled with well-qualified workers to maintain our high standards of service to the community," Postmaster Henry J. Porter stated.

He also pointed out that Postal careers offer high job security, excellent chances for advancement, regular salary increases, ample vacation and paid sick leave, low cost life insurance and liberal retirement.

The Postmaster urged those interested to obtain information and forms at the Wilmington Post Office, or by telephoning OL 8-2121.

It is expected that after Avco starts operations that other positions will be opened up.

**MAIL BOX CLEAN - UP**

In an effort to assist the committee in charge of the clean-up, and paint up campaign in this town, I would like to inform the patrons on the Rural Free Delivery Routes, that the annual Rural Mail Box improvement this year for a 2 week period beginning June 3. This program has been broadened to include boxes on mounted city routes as well as rural mail boxes.

Rural mail boxes which are improperly erected or in unserviceable condition retard delivery of mail and expose it to the weather. The department wishes to encourage rural patrons to provide suitable receptacles, erected and maintained for easy and safe accessibility, presenting a neat appearance, and affording protection of the mail.

Names of box owners should be inscribed on the side visible to the carrier, and boxes and supports should be kept painted. Patrons should group their boxes wherever practicable, and where adequate turnouts can be provided.

Rural boxes must be located on the right side of the road in the direction of travel of the carriers in all cases where traffic conditions are such that it would be dangerous for the carriers to drive to the left in order to serve the boxes or where their doing so would constitute a violation of state or local traffic laws and regulations.

Approved rural boxes need not be provided on mounted routes, but they must be of the rural type, located at the curb, and erected so the bottom of the box will be 3 1/2 to 4 feet above the roadway.

When two or more boxes are grouped at one point, or

the receptacles are not directly in front of the residences, the names and addresses of the owners must be on the front of the boxes. To have neat and suitable mail boxes and posts, adds much to the beauty of a community, and where your town is endeavoring to improve and beautify all sections, it is only fair that patrons who have rural boxes that are not in top order, should get in step, and do something about it.

Henry J. Porter  
Postmaster  
Wilmington, Mass.

**PTA TO INSTALL NEW  
OFFICERS MAY 21**

The new officers for the 1957-58 season of the Wilmington Parent Teachers Association will be installed at the meeting to be held on Tuesday, May 21 at 8:00 p.m. in the High School cafeteria. Following the business meeting, sound films, in color, "Ball, Son" will be of special interest to parents of Little Leaguers. The other is a film on fishing in Canada.

Norbert Sell is the new president of the PTA; Mrs. George Keough is the new secretary, while Almerico DiCampo will serve another term as treasurer. The new teachers representative is Anthony DeLuca. School representatives will be Mrs. Henry Hartwell, High School; Mrs. Kenneth Lyons, Jr. High; Mrs. Joseph Medico, Wildwood; Mrs. Kenneth Iverson, Buzzell; Mrs. Frank McLean, Swain; Mrs. James Carter, Walker; Mrs. John DeCosta, Whitefield; Mrs. Theodore Chiricos, Mildred Rogers; Mrs. Frank Mulholland, West; The Center has no representative yet.

The dance held in aid of the scholarship fund proved so much of a success, over 300 attending, that it is hop-

ed to make this an annual event. Three scholarships can be purchased with the profits of the dance. Attending this year's dance were two former students who were awarded scholarships in past years. Miss Dolores Amaro, who teaches at the Wildwood School, and Miss Nancy Anderson, who graduated last year.

# WILMINGTON ROTARY CLUB

## ROTARY NEWS

The weekly meeting of the Rotary Club was held last Wednesday at noon, at the Masonic Hall, with Herbert Pickering president, presiding.

After the usual opening ceremonies, the president called upon Stanley Cum-

ings to offer the invocation. After the luncheon, singing led by John Collins with John Caffo, at the piano, was enjoyed.

The president introduced the following Rotary guests: Two from Reading, three from Woburn, and one each from Lexington, Stoneham, and Wakefield.

Dr. Henry Foster reminded the group of the coming ladies night, which will be held at the Colonial Country Club on Wednesday night, May 15. The group voted to make this a regular meeting, so any rotarian not present will have to make this meeting up.

The president turned the meeting over to John Collins, who in turn introduced the speaker of the day Jesse James. Mr. James is a member of the staff of The University of Massachusetts. He is at present doing work for the Middlesex County Extension Service, working with 4-H clubs throughout the County. He stated that there are at present 263 clubs, comprising 2292 members, with 626 leaders. After a fine talk and showing of slides on the workings of 4-H clubs, Mr. James was given a fine ovation by the group. Next Mr. Collins introduced Mr. Howrad Butler, past president of the Lexington Rotary Club. Mr. Butler told of the construction, known as the Rotary building, at their 4-H camp. He stated that any assistance that could be given by any surrounding clubs would be appreciated, so that this fine youth work can be improved.

A short board of directors meeting was held after the regular meeting.

 hammers and nails. There  
will be over 200 boys playing  
ball on this field so if a fair  
share of the parents of these  
boys would come down Sat-  
urday morning for 3 hours  
our park would be in the  
best shape ever. If you have  
a boy playing please come  
down and help. We plan on  
almost three months trying  
to help your sons, so why not  
give us three hours of your  
time Saturday morning to  
fix-up the field. If Little Le-  
ague is to survive in this town  
it cannot be done by a few;  
it needs the help of many,  
and if you want to know how  
to help please feel free to call.

**Message to the Parents**  
A new policy will be added  
to the Wilmington Little Le-  
ague. As in the past, the ma-  
jor league boys have been bid  
on by the major league man-  
agers. This year the same  
will hold true for the minor  
leagues. There will be try-  
outs Saturday and Sunday  
afternoons May 18 and 19 at  
the Common for those boys  
who did not make the ma-  
jors and wish to play minor  
league ball. The "Auction"  
on these boys will be held  
Monday night May 20th at  
the Roman House and just  
the minor league managers  
will bid for players. The four  
major league teams carry 15  
boys on their rosters  
during the season. The  
minor leagues will carry 20  
boys. There will be a "Clinic"  
held Saturday mornings  
for any boys not making  
either the major or minor  
teams. More details on this  
"Clinic" will be released to  
the papers as soon as avail-  
able.

 I have received numerous  
phone calls this past week  
from parents in regards to  
why his or her son did not  
make the major teams. I  
would like to explain that I  
have nothing to do with pick-  
ing any boy for any team.  
This is done by a fair and  
impartial system of bidding  
for each boy by the man-  
agers of the different major  
league teams. This is not a  
rule invented by us but by  
the National Little League at  
Williamport. 200 boys cry  
out and it is very difficult to

## CHURCH AUCTION TO BE HELD

 The South Tewksbury  
Church will hold a large  
church wide auction  
on June 8, at the "1721  
House" at the corner of  
South and Main Streets,  
Tewksbury Mass. The auc-  
tion will start at approxi-  
mately nine thirty in the  
morning and continue into  
the late afternoon. The auc-  
tioneer will be Mr. Bill To-  
bin from Concord. Besides  
the auction there will be a  
rummage and food sale,  
pony rides for the children,  
and assorted refreshments  
will be on sale. Come and  
spend the day and enjoy  
yourself. Any persons who  
have any items they wish to  
donate to the auction are  
asked to call the following  
numbers: Reverend Hick-  
man at OL 8-3063, Albert  
Hart at OL 8-4613, Earl  
Harding at OL 8-4591, Leon-  
ard Thompson at UL 1-2723,  
John F. Ingalls at OL 8-4642,  
or Walter Morris at OL  
8-2549. It is hoped that this  
auction will be a large suc-  
cess and any items that are  
donated will be greatly ap-  
preciated. If any persons  
wish to deliver their items  
themselves they are asked to  
deliver them to the 1721  
House which will be open all  
day Saturdays for this pur-  
pose.

## "Who Says You Need Costly Shots To Relieve 'Hot Flashes' And Irritation From Change-Of-Life?"

 Mrs. A. M., Watonga, Okla., adds, "Middle age  
was torture. Had costly shots 3 times a week  
but got no relief. Then took Pinkham's Tablets.  
They brought me new happiness, comfort!"

 Science offers women new freedom  
from much of the misery of  
change-of-life, thanks to an  
amazing new tablet developed espe-  
cially to relieve these functionally-  
caused discomforts. Doctors re-  
ported sensational results using  
this remarkable home treatment  
alone... and no costly injections!

 Relief for 8 out of 10 Tested!  
Irritability, tortured nerves were  
calmed. Distress relieved. Awful  
hot flashes subsided. Here's why.  
Unlike aspirin and such "general  
purpose" remedies, this new tablet  
is a unique combination of special

 medicines... acts directly on the  
cause of these troubles... works  
through a woman's sympathetic  
nervous system to relieve tense  
feelings and physical distress that  
bring unhappiness to so many.  
Clinical tests prove this.  
Now this amazing formula is  
at drugstores without prescription.  
Ask for "Lodya Pinkham's Ta-  
blets". Don't let change-of-life rob  
you of joy! Get happy Pinkham's  
Tablets. Contain blood-building  
iron. See how fast you can feel  
your happy self again... without  
costly shots! (Also Liquid Lodya &  
Pinkham's Vegetable Compound.)

### NICK DEFELICE COMPLETES BASIC TRAINING

PARRIS ISLAND, S. C. (FHTNC) -- Nicholas DeFelice, son of Mr. and Mrs. Nicholas DeFelice of 1 Commonwealth Ave., Wilmington, Mass., completed recruit training May 7, at the Ma-

rine Corps Recruit Depot, Parris Island, S. C. Relative and friends of many of the new marines were on hand to witness the graduation ceremonies.

The 12-week training schedule included drill, bayonet training, physical conditioning, parades and ceremonies, and other military subjects.

Three weeks were spent on the rifle range where the recruits fired the M-1 rifle and received instruction in basic Marine infantry weapons.

This recruit training prepares young Leathernecks for further specialized infantry training at Camp Lejeune, N. C.

### PFC FRED L. ROBBINS WITH 2ND MARINES

Camp Lejeune, N. C. (FHTNC) -- Marine Pfc. Frederick L. Robbins, son of Mr. and Mrs. Frederick L. Robbins of 297 Burlington Ave., Wilmington, departed from Morehead City, N. C.,

May 1, for the Mediterranean with the reinforced 1st Battalion of the 2nd Marine Division from Camp Lejeune, N. C.

Officially designated as the Northeastern Atlantic Mediterranean Battalion (NELM), the Marines will join the U.S. Sixth Fleet as relief for the reinforced 2nd Battalion of the 8th Regiment which is scheduled to return to Camp Lejeune after serving in Mediterranean waters since last January.

While in the Mediterranean the Marines will act as the amphibious landing force for the powerful and highly mobile Sixth Fleet.

### RON LAMBERT

Thursday, May 2, 1957

Dear Editor,  
Your edition has finally lost contact with me. I've been transferred from Bitburg, Germany to Hahn, Germany. I don't think we'll have any more trouble keeping in contact with each other, as I will finish my tour at this base.

I've seen quite a bit of Europe since I've been here. I also went TDY to Africa last year. Also might I add that, I have re-enlisted in the AIR FORCE.

I hope to hear from you soon.

Thank you,  
Cordially yours

### LOCAL BOYS ON TRAINING DUTY

Two Billerica men, members of Naval Reserve Surface Division 1-18, began their annual two weeks' training duty recently to put

into practice the skills they have learned in the Training Center, Bedford avenue, Lowell, and to learn some more to bring back to the drilling units.

Boilerman second class John R. Cusick, Crown street, Pinehurst, has reported to the Atlantic Reserve Fleet in Boston.

Seaman Richard A. Wakefield, Andover road, is now at the Naval Net Depot in Melville, R. I. learning the techniques of harbor defense.

### SALVATION ARMY DRIVE

One of the greatest "love" stories in the history of Wilmington is now being made by a group of local volunteers serving in the Salvation Army Friendly Appeal.

These residents are helping the Salvation Army practice its highest ideal of "love for one's fellows" by giving freely of their time to meet a quota of \$1,500.

Neighbors are calling on neighbors, and friends on friends, to raise the funds needed to support a vast service-to-man program.

"Anyone who is sick, or despondent, or in trouble, will receive help, regardless of his race or creed," according to Residential Chairman Lydia Wicks of 27 Parker Street.

In past years direct aid to residents of Wilmington has included fuel and food orders for needy families, eyeglasses and radios for the aged, and Summer camp for the youngsters.

The current campaign also benefits such institution as a boys' club, a hospital and home for unwed mothers, a missing persons bureau and a club for servicemen and women.

The famed Disaster Service, which has been cited for its work during emergencies, is maintained by funds now being raised.

"Love for our fellows means we should help them when they need help. By contributing in the current Salvation Army Friendly Appeal we will be adding another chapter to our great "love" story, now in the making," concluded Chairman Wicks.

Volunteer workers here include: Mrs. Louise Thomas, Mrs. Hazel Leavitt, Mrs. Olga Mosack, Mrs. Rae Burns, Mrs. Dorothy Stowe, Mrs. Dorothy Zingelowski, Mrs. Winnie Lou Coffin, Mrs. Joyce Dalton, Mrs. Elsie Eaton, Mrs. Edith Nitohie, Mrs. Florence Webster, Mrs. Theresa Laskey, Mrs. Lurena Pembroke.

### CANCER ATTACK MOUNTS

The research attack against cancer is mounting. In 1945 only about a million dollars was appropriated annually for cancer research. This year, there will be more than \$50,000,000 available, the American Cancer Society says.

### HERE'S WHAT WE DO

1. We don't tie springs just 4 or 6 ways -- we tie them fully 8 ways and with special twine.
2. We don't just glue loose frames -- we take out old dowels, replace them with larger and new ones. we add brand new corner blocks.
3. We don't tack seams at just the obvious spots -- we hand sew seams throughout the piece.
4. The welting isn't simulated -- it's separate, individually made -- that means it's stronger.
5. The seams on the sides and backs aren't blind-tacked -- all the seams are handsewn.
6. We don't use ordinary fibre or excelsior -- we use the new, expensive moss filling.
7. We don't just repair your cushions -- we make brand new cushions with Armour's Hairflex (Latexed Hair).
8. We don't put the fabric on carelessly -- we make sure the pattern matches perfectly.
9. We don't just cut from a pattern -- we fit your cover as carefully as a tailor-made suit.
10. We don't settle for second-best materials -- we use only the highest quality throughout.

The Mass of the Angels was said by Rev. Father William Gorman, at St. Joseph's Church, Woburn, at 10:00 a.m.

Besides his parents, Thomas is survived by his younger sister, Mary Jane.

Interment was in the Woodbrook Cemetery in Woburn. Funeral arrangements were under the direction of Joseph B. McMahon.

### SOMERVILLE MAN INVOLVED IN ACCIDENT

At 1:30 a.m. on Saturday, May 11, Phillip P. Lombrooks of Somerville went into a skid on South Main St., which had been made quite slippery due to rain. His vehicle went out of control, striking a pole and continuing on hit the stone ledge at the side of the road.

Extensive damage was done to the car which was towed to Gildart's Garage, by Mr. Lombrooks escaped with only minor injuries.

Officers Cuoco and Langone investigated the accident.

### ST. DOROTHY'S HOLY NAME ELECTS NEW OFFICERS

Members of St. Dorothy's Holy Name Society held their meeting at St. Mary's Chapel on Monday. Father Tyrrell explained to the men, the ritual of the Mass and followed his explanations with the Benediction of the Blessed Sacrament.

Following the Benediction, the men adjourned to St. Mary's Hall to conduct their regular monthly meeting and hold election of officers.

Officers of the new year include: President, John Sullivan, First Vice President, Thomas Brennan, Second Vice President, Phillip Quinn, Secretary, Richard Dickerson and Treasurer Herbert Peterson.

Installation will be held at the Father and Son's Communion Breakfast on June 9.

### ST. DOROTHY'S HOLY NAME PLANNING AUCTION

Members of St. Dorothy's Holy Name Society are now formulating plans for a giant auction sale to be held on the parish grounds, Main Street, near the end of June.

Various tables will offer innumerable articles, including cakes, clothing, plants, flowers and many others. A carousal is being engaged to help keep the youngsters amused during the auction.

Frank King will serve as chairman of the committee arranging the affair. A most enjoyable day is being planned and donations are being sought.

Anyone having any articles of usable furniture, clothing etc., may call the rectory or 8-2881 for further information. Members of the committee will be more than happy to pick up your donations at your door.

## AMERICA IS IN DANGER

The following is a statement on fluoridation, made by Alonzo J. Shadman, M.D., of Boston.

"It is a privilege to be afforded this opportunity to protest against the pollution of the country's drinking water with the deadly poison Sodium Fluoride. I am amazed at the persistence of its proponents, and very much concerned as to why

they are so bent on their efforts to succeed in this deadly measure.

After practicing curative medicine for fifty years, I know how damaging to human health the constant dosing of very small amounts of this poison can be. I also know that it can not possibly have any beneficial effect on the teeth. I know that nothing in the way of medicine can have any effect on the teeth without first affecting the whole body, and that any claim that the teeth are singled out for the action of this poison is false.

Fluorine occurs in large amounts in various parts of the earth, but it is by its creator firmly locked up with calcium which makes it relatively harmless, as it is soluble only in 16,000 parts of water. Even so, in those places where the drinking water is contaminated by this relatively harmless form of the poison, it affects people's teeth to such an extent that it causes mottling, misshapen teeth and often destruction takes place. In these localities great efforts are used to eliminate the poison or to find other sources of drinking water.

To determine the affect of this poison on human life, very careful and painstaking provings have been made on people by eminent physicians, which has resulted in some fifteen full pages of symptoms being compiled showing its effects on every part of the body with special emphasis on the mind, heart, veins, sex organs and bones, for no part of the body escapes its malignant influence. These provings were made with repeated doses of an even smaller amount than is proposed to put in our drinking water, and also remember, the form of the poison to be used in fluoridation is a salt of fluorine, Sodium Fluoride, readily soluble in water and much more deadly in effect.

The action of this poison is slow and cumulative. If people are forced to take it into their systems through drinking, many will die, many will become chronic invalids, and no two will manifest their poisoning in exactly the same way. More important still, will be the fact that hardly any of the new ailments will be laid to fluoridation. The doctor will be unable to diagnose and treat these cases successfully for they will be unfamiliar to

him."

## FUNERAL SERVICES FOR KENNETH E. CHOATE

Funeral services for Kenneth Choate who passed away on Friday, May 10, following a lingering illness were held on Sunday. Services were conducted from the Guy E. Nichols Funeral Home at 3:00 p.m. by Rev. Stanley Cummings. Interment was in the Wildwood Cemetery.

**FIRE LOG**

On Monday, May 6, at 5:40 p.m., engine 4 responded to a call from Salem St. A brush fire had broken out on the property of Mr. MacLane. At 7:25 p.m. on Monday, the ambulance was summoned to transport an accident victim, James Casey of Woburn, to Choate Memorial Hospital. The accident occurred on Eames St.

On Tuesday, May 7, firemen received three calls. At 4:00 p.m. engine 4 went to the junction of Clark and Kelley Sts. to fight a brush fire. At 4:25 Wilmington fire-fighters went to Billerica to fight a brush fire. Wilmington men spent five hours in Billerica. At 5:20 p.m. engine 4 was dispatched to Manchester Mass., where it fought brush fires for seven hours.

Four calls for aid came to local firemen on Wednesday, May 8. At 11:30 a.m. the ambulance was summoned to transport Mr. MacIntosh of Main St., to Tewksbury Hospital. At 12:45 p.m. engine 4 went back to Manchester to fight brush fires. At 1:35 p.m. a brush fire occurred at Mass. Ave. and Main St. Engine 3 responded to the call. At 8:30 p.m. engine 5 was sent to combat a brush fire on Grove Ave.

Five calls were answered on May 9. At 9:20 a.m. the ambulance was called to take Walter Ross to Winchester Hospital. At 11:05 a.m. engine 4 went to fight a brush fire on Grove Ave., on the property of Mr. Robinson. At 12:20 p.m. engine 4 went to Billerica to fight a brush fire. At 12:35 p.m. the ambulance was called to take Mrs. Webber of Lake St. to Baker Memorial Hospital. At 3:10 p.m. engine 4 went to Kelley and Essex Sts. to fight a brush fire. At 3:17 p.m. a fire broke out behind the Silver Lake Depot. Engines 1, 4 and 5 responded to the call.

Again on May 10, firemen received five calls. At 8:30 a.m. a brush fire occurred at the rear of the Buzzell School. Engine 4 responded to the call. At 12:35 p.m. engine 3 responded to a call to a brush fire at the rear of the Buzzell School. At 12:45 p.m. rubbish left by the side of the road on Eames St., was found burning. At 7:01 p.m. a pile of brush on the property of Mr. Jergenson on Glenn Rd., became ignited. Engine 4 responded to the call. At 8:30 p.m. the ambulance was summoned to transport George Hoyt of Woburn St. to Winchester Hospital.

On Sunday, May 12, firemen answered only two calls. The rain on Saturday relieved the brush and forest fire hazard somewhat. At 2:35 p.m. the ambulance was called to take Mrs. Sava of Hathaway Rd., to the New England Sanatorium and at 6:24 p.m. the ambulance was summoned to take Miss Cheifitz of Salem St., to St. John's Hospital.

# V. F. W. POST AND AUXILIARY DOINGS

by Deb Kleynen

First of all, let's start off by reminding everyone that the Social is this Saturday, May 18. It promises to be one with a tasty menu for everyone's enjoyment. With Brownie in charge, it just has to be good.

Let's make this social a large one in attendance and give our new chair officers the confidence and backing that the officers of last year had.

Last Saturday, a group of our post and auxiliary members attended our local firemen's Banquet. It was an evening well enjoyed by all. The meal was delicious and there was plenty of it. Entertainment and dancing were provided by a group connected with Al Mitchell and met with the approval of all who were there.

I would like at this time

now to dwell for a few lines on a serious thought, and a real one to the post and auxiliary. I would like to remind our readers and townfolks that May 24 and 25 are our annual "Buddy Poppy Sale Days." Be generous in your donation, as ALL monies derived from the sale of Buddy Poppies go into relief work done by both post and auxiliary. You can "honor the dead, by helping the living".

President Rose Lloyd like to remind her members of the meeting of May 21. It will be the one at which time we will hold our own Memorial Services in memory of our departed sisters, comrades and all our boys and girls who gave their lives so that we could continue to live in a better world. Members who take part in the services are asked to attend in uniform, if possible.

I will close now, for this

week, but let me once again say, **DON'T FORGET THE SOCIAL ON MAY 18**, and what do you say boys? Let's see a few familiar faces from our local fire and police dept. Come on girls, get after the boys for a nite out and spend it with us at the Dugout.

P. S. Get well wishes for this week go to: Daniel Dennehey, Robert (Smoky) Woods, Nan Marlin and Mabel Kennedy. Congratulate the Madigans and the Duffeys on their new arrivals.

## NEW NAMES POPPY SALE CHAIRMAN

Plans for the 1957 sale of Buddy Poppies by the Veterans of Foreign Wars got underway last night when Commander Fred Lloyd appointed Comrade Fred Kleynen of Post No. 2458 as chairman of the annual drive. Comrade Kleynen has long been active in veterans affairs.

In accepting the position as chairman, Comrade Kleynen pointed out to those present that the campaign could be a success only if all members of the community participated in the drive. He stressed the point that while the V. F. W. will lead the way, other citizens of the community also have an obligation to see that the campaign is a success because the funds collected go to assist all disabled veterans.

The new chairman noted that there are today more than 20,000,000 ex-servicemen still living and that the Veterans Administration cannot care completely for the multitude of cases it now has on hand. It is, therefore, up to the organizations like the Veterans of Foreign Wars to take over the more urgent of these veterans problems. The V. F. W. can do this only if enough funds are raised through this annual sale of Buddy Poppies.

Comrade Kleynen in conclusion stressed that all funds in the sale will be used solely to rehabilitate our disabled servicemen, to aid others in their readjustment problems, and to provide a normal, healthy home life for war orphans at the V. F. W. National Home for Orphans at Eaton Rapids, Michigan.

## RONALD FULLER RETURNS TO CAMP LEJUNE

Marine P.F.C. Ronald Fuller, son of Mr. and Mrs. Geo. Fuller, of Main St., returned to his duties at Camp Lejeune on Friday, May 10. P.F.C. Fuller enjoyed a seven day leave at the home of his parents following a tour of duty in Jordan.

## MUSIC FESTIVAL THIS SATURDAY

The many fans of WHDH's popular star, Ken Wilson, will be delighted to know that he is to preside at the Baldwin Organ at the Music Festival to be held on Saturday, May 18 at the high school. Mr. Wilson will play from 8:00 to 9:15 in the auditorium. At 9:30, Jack Keegan, popular orchestra leader, will begin to play in the gymnasium for dancing.

Tickets for the benefit affair, sponsored by the Wilmington Square & Compass Club, are available at the Countryside Doughnut Shop in the square.

## MASS. ASSOCIATION FOR RETARDED CHILDREN TO HOLD CONVENTION

Mrs. Thomas Burke of 38 Central St., Wakefield, president of the East Middlesex

Association for Retarded Children will lead a delegation from the local association at the second annual convention of the Massachusetts Association for Retarded Children, May 18-19, at the Sheraton-Kimball Hotel in Springfield. Almost one thousand parents, doctors, teachers and others interested in the welfare of the mentally retarded will attend the convention from nearly every community in the state.

Highlighting the two-day convention will be a series of four panel-discussion workshops, where experts will discuss the problems of vocational rehabilitation, guardianship and legal problems, and education for the state's 140,000 mentally retarded children.

Among the featured speakers will be Dr. Richard L. Masland, research director of the National Association for Retarded Children and a staff member at the Bowman Gray Medical School, North Carolina; John L. Fitzpatrick, president of the Massachusetts Association of School Superintendents and superintendent of Chicopee schools; Francis A. Harding, Massachusetts Commissioner of Rehabilitation; and Vlad F. Ratay, regional representative, Federal Office of Vocational Rehabilitation.

The Hampden County Association for Retarded Children and the Belchertown State School Association are hosts for the convention which will have as its theme: "To each according to his particular ability."

## SIGNAL CORPS

"Get the Message Through" is more than just a phrase to the men of the Army Signal Corps. It is their objective in life. The Signal Corps is charged with building and maintaining the Army's vast communication system, which is so necessary to the successful operation of a modern Army.

Young men interested in telephone work, radio, radar, television, photography or any of the electronics fields can find a place for themselves with the men of the Signal Corps. All skills taught in the Signal Corps are equally valuable to a man who decides to leave the Army and return to civil life. They will find they are welcomed by any of the organizations dealing with communications in any of its many forms.

A good fire extinguisher is a valuable tool. The soda and acid kind that the fire department uses is best for most types of fires. For grease or oil fires in kitchen or garage, a carbon dioxide or dry chemical extinguisher is the thing. Once acquired, suspend it properly, and service as directed.

More people are in hospitals for mental illness than for polio, cancer heart disease, tuberculosis and all other diseases combined.
